THE CORONATION BATHHOUSE was built in a classic Edwardian style in 1911, one year before the famous TSS Earnslaw, to celebrate the coronation of King George V. This Queenstown lakefront landmark captures the spirit of the British regal, with the *joie de vivre* of the Beautiful Age that was the Belle Epoque.

With food that harks to Great British nostalgia and a wine list that includes a delicious selection of French and local wines, The Bathhouse is a place to laugh, celebrate and marvel at nature's spectacular theatre.
