THE CORONATION BATHHOUSE was built at the end of the Belle Epoque era in 1911 to celebrate the coronation of King George. A famous Queenstown landmark and historical building, the Bathhouse captures the spirit of the British regal along with the *joie de vivre* of the Beautiful Age that was the Belle Epoque.

Serving classic dishes with a nostalgic British twist and a wine list of local classics and international glamour, The Bathhouse is a place to laugh, celebrate and marvel at nature's spectacular theatre.
