THE CORONATION BATHHOUSE was built at the end of the Belle Epoque era in 1911 to celebrate the coronation of King George. A famous Queenstown landmark and historical building, the Bathhouse captures the spirit of the British regal along with the joie de vivre of the Beautiful Age that was the Belle Epoque.

Serving classic dishes with a nostalgic British twist and a wine list of local classics and international glamour, The Bathhouse is a place to laugh, celebrate and marvel at nature’s spectacular theatre.
